## **WORK OVERVIEW**

There are many websites on which I have worked on all levels, including designing + responsive and + Coding. So this is a plus point for me to have knowledge in designing also with setting animation layout.

I have mostly worked in WordPress Framework & tried to use different layout combinations with animation effects for the best output.

I have worked on the Magento website too for customization work and have good knowledge to handle the backend system of Magento.

## **PORTFOLIO:**

Please check the below Websites on which I worked earlier. All websites are live. If you have any questions, I can explain any website to you.
